Of course and papers, that he could not but avait in course of time a full and particular statethe opportunity of expressing his ment of the true cost will be made public. oncurrence with the actions of the Credat, &c.

rejed his meaning in much more DOTTINGS AT THE P. M. S. COMPANY'S DOOKS, SAN FRANCISCO. ling, but we have to be content with (Alla Colifornia) 🤏 🧸 et report. Sir Henry being the The Pacific Mail Steamship Company's olicy in China, any expressions of steamer China arrived in this port on 26th for him are aufficiently replete December, at I o'clock A.M., from China and ing. Colonel Knox Core, C.B., less Japan, bringing a large number of Celestial than the governor by the necessity passengers-500 men and 100 women. The iplomatic lenguage, went still more latter were consigned to a Chinese company the point. He said that "if any in this city, and possessed all the characterisfound with them," the army and the of similar invoices which have preceded was to be attributed to false economy, them. As they were bustled ashore the Chinafrom the country committing itself to men crowded around the gangway to get a I mobiorators, who were inclined to peep at them-after the fashion of the exservice to an inefficient state." There quisites who latter around the outer halls of more truth symetimes in the black our theatres and stare ladies out of counaces of a soldier than in all the tenance-and some, more andacious than the a destrinsire. The vindication of rest, endeavored to purchase a wife, or wo-Keppel's career, bowever, was more man, without the intervention of an agent. y accomplished by other speakers. Such conduct was severely rebuked by the E. H. Pollard, Q.C., the beting At- gallant Caucasians (officers) present, who

eneral, briefly reviewed the political escorted the damsels to a retired nonk England had taken the initiative on the commodious duck, and projected g China into commercial relations them from the advances of those who had no the rest of the world. Her Govern. financial interest in them. The women were done this by inducin; enterprising subesquently formed in line, and passual into ish their trade forward, often at the the Fourth District Inspector's office—two at a neir lives. They had to deal with a time—and subjected to manipulation by the verniscat proverbial for misrule, and lady who searches them for concealed oplum us to have no lower in its own domning, and silk about their persons. In this instance, t their lives and property had been the examination did not result in any startling care of the British authorities, and discovery of contraband articles, and when the my they had selected officers, like the whole crowd had been examined, the gallant nest of the evening, not only of plack Cameasian guardians of the peace again profng. but of knowledge, fact, and fered their services, and escorted the females as well. These officers, by a judi- to their domicile on Jackson-street. These poor reise of their large powers, had brought wreteber (the Chinese women) will add fuel to that it was upsafe the pestilential fluries burning in the Chinese the persons or property of British quarter of the city, lead an abandoned misera-Sir Henry Kappel's conduct had ble life, and finally, deserted by those who enoped with emphatic approval not only theed them here by cajulary and false promises, "Three different Ad death appears us a welcome visitor and closes ions selected him upon three different the sad secue. Every steamer from China conto take a command in China; and a tributes its quots of women, who come not as not the present Administration, ap wives of honest, industrious Chinaman, but as int to undertake the grave responsis states in the worst sense of the word, bought I commander in this! on the China for a mere bagatelle, to be used for an annatu-These facts ontweighed anything rat purpose, and finally drawged into some recently occurred." It is needless to darkened besement and left to die. sting evidence of the character which | The indefitigable Covernment inspectors were onstration acquired. The mercantile promptly on the spot on Sunday, and tossed , as a matter of gooree, joined in the the baggage around with all the gusto of reapproval Lestowel on the admiral's gular Laggage-smashers. From the anxions and in the condemnation which that air of several passengers, it was apparent to involved of the policy to make room the officials that the usual sunggling game the lie shas been so imwisely and on- would be tried. Every trunk, basket, package and bundle was opened and examined with

angkong dianer completes the sere and more than ordinary care, and soon a strike was against that surrender of British in made. Several packages of tea were opened to the Chinese which the present Good among other things, and right in the centre. is acting at self at accomplish, completely baried in byson, were found little had an emphatic groun from Sir boxes of opinm. Of course, this ingredient in erd Alen k, the British minister at John's favorite beverage was confiscated imwho, in a published disputely described medictely, together with the valuable drugnese noth rities as growing more diffi. The latest dodge practiced by the Chinamen is manage than ever, more obstructive about of all its predecessors and caused no tile to mensures of progress. This despite merriment recently, among those who a was exceedingly aignificant to every made the discovery. It was noticed that one · had at alies our relations with the "recent arrival" was extremely solicitous
